

# San Francisco Arson Suspect, Help ID (See narrative)

Sent: 2020-05-15 @ 15:09

Case: 200287888

Author: Sgt. Ken MacDonald

On 05/11/2020 at approximately 0815-0825 hours, an unknown male suspect poured a flammable substance on an inhabited home in the area of Wheeler Avenue and Lathrop Avenue in San Francisco. The suspect ignited the substance and fled the scene. The home was occupied by an adult and children at the time of the incident. Fortunately nobody was injured. There was permanent damage to the structure.

A witness provided a detailed description of the suspect. Additionally, a "Kingsford Charcoal Lighter Fluid" container was seized from the scene. Video was subsequently retrieved from the 200 Block of Lathrop which captured the suspect walking westbound on Lathrop Avenue to southbound Wheeler Avenue just prior to the incident. The suspect in the video matches the description provided by the Witness. In the video, the suspect is holding the "Kingsford Lighter Fluid" container in his arm.

The suspect, captured on video, is a dark completed male with a thin build. On 05/11/2020 the suspect had a distinct hair style (Curly hair & dreadlocks) and a thin mustache. Last seen wearing a full length red robe, green hooded jacket, multi color blue and white shirt, and gray-green pants.

If any officers recognize the suspect in the photographs, please email the subjects information to me (or call my direct line). Please leave a contact number so that I may follow up with you.

Thank you for taking a look. -Sgt. Ken MacDonald #787 (San Francisco Police Arson Task Force, 415-882-8956, [kenneth.r.macdonald@sfgov.org](mailto:kenneth.r.macdonald@sfgov.org))
